***BREAKFAST AND LUNCH ARE FREE TO ALL CHILDREN AND THEY DO NOT NEED TO BE PART OF JFK'S SUMMER PROGRAM**

The United States Department of Agriculture's Summer Food Service Program (SFSP) was established to ensure that low-income children continue to receive nutritious meals when school is not in session. Free meals, that meet Federal nutrition guidelines, are provided to all children 18 years old and under at approved SFSP sites in areas with significant concentrations of low-income children.

This important program is coordinated locally by the **Northwest Tri-County Intermediate Unit (IU5)**. Last year, IU5 and its partners served nearly 83,000 meals, free of charge, to local children. This year, Edinboro University has graciously agreed to be the primary meal supplier, preparing thousands of nutritious meals for kids who might otherwise go hungry this summer.

Call **1-866-3-HUNGRY** or **1-877-8-HAMBRE** (for Spanish speakers) and a live operator will tell you where the closest sites serving free. You may also text "PAMEAL" to 877877. Nutritious summer meals are located or [click here for a PDF list of Summer Food Program sites in the City of Erie](#).
