

Principal's Welcome

Welcome to our website, and thank you for your interest in St. Jude Catholic School!

From Preschool through Grade 8, our faculty and staff are committed to excellence in Catholic education. At St. Jude School, we strive daily to maximize every child's academic and spiritual potential through engaging learning experiences. We are accredited by the Middle States Association of Colleges and Schools Commissions on Elementary and Secondary Schools. This accreditation was granted in Spring, 2021.

Faith Centered

Our religion curriculum, daily prayer, weekly liturgies and other spiritual practices and events ensure that faith formation for our students is at the heart of everything we do! Such religious experiences include but are not limited to yearly retreats, community service, Living Stations of the Cross, Living Rosary, Advent Prayer Services and weekly masses planned by the students.

Academics

Here at St. Jude School, we promote the highest level academics with the most up-to-date curriculum. Our curriculum includes 1:1 technology with grades K-2 using iPads while grades 3-8 use Chromebooks for all their academic needs. In addition to the core academic subjects- Religion, Math, Language Arts, Social Studies and Science, our students also participate in Art, Music, Library, Physical Education and Technology classes. Our middle school students also enjoy elective classes which could include PJAS, newspaper, Model UN, Challenge 24/Math Counts, math workshop or drawing. Our middle school math program also includes a math enrichment class for the advanced math student as well as opportunities to attend Math and Science classes at Cathedral Prep or Mercyhurst Prep.

Extracurricular

St. Jude School provides activities that encourages our students to cultivate their interests and talents. Our athletic program includes over ten different sports and our performing arts program allows our students to showcase their talents on the stage. Other clubs and activities are also available for the many interests of all our students.

I invite you to visit our school to see our teachers and students in action. Give us a call today for a private tour.

Mrs. Holly Morphy
Principal
St. Jude School
