ART supplies will have to be replaced throughout the year

Since we are unable to share supplies this year, each student will need the following supplies for art. I have included links (the first time the supply appears on a list) just in case you are not sure about what to buy. Of course, you can look on Amazon, or buy them wherever you can find the best price. Brands such as Crazy Art can be ok for markers and crayons, but not good for watercolor paint. Prang is another brand of watercolor paint that is good. Any brand of No 2 pencils is fine. Please label all of your student's tools with their name and pack them in a lunch box or similar container that also has your student's name clearly written on it. I am so sorry for this extra work, but we want our students to stay safe and healthy! If you have any questions, please don't hesitate to email me: mparker@ericatholic.org.
